	No	A Little	Yes/Agree
I take part in Board education.			
I take part in visits to Network facilities or programs where applicable.			
I am familiar with the Network's structure, history and mission.			
I am familiar with the Network's legislative role.			
I am familiar with the Board's legislative role.			
I am familiar with the organizational structure, major problems, finances and operations.			
I am familiar with the Network's main stakeholders, partners and clients.			
Once the Board has developed a policy or made a decision, I am ready and able to support it, no matter how I voted on the issue.			
I have the time, energy and level of commitment needed to be an active and committed Board member.			
I have no professional or personal conflicts that could seriously compromise my ability to act in the best interest of the Network and its stakeholders.			
My main responsibility as a Board member is to serve all the organization's stakeholders.			
I respect the confidentiality of the Network's business (e.g. information about clients, in-camera discussions, etc.).			
I communicate appropriately at all meetings of the Board.			
I communicate appropriately between meetings of the Board.			
I listen to what other people think.			
I exhibit behaviour that values the Board's diversity, including the knowledge, experience and/or skills of my fellow Board members.			
I am committed to and keep the Board focused on the vision, mission and values.			
I identify problems and suggest potential solutions.			
I am open to change and new ideas.			
I appreciate short-term solutions as needed.			
I appreciate the vision and long-term outcomes as needed.			
I carefully and thoroughly review all information documents before the Board meetings.			
I take an active part in discussions and debates.			
I provide well-considered (thoughtful) and clear advice and observations.			
I provide the rationale for my point of view.			
I remain focused on policies rather than operations.			
I bring the Board an added value and a unique perspective and point of view.			
1. In your opinion, what is your greatest contribution to the Board?			
2. Do you have any other comments or suggestions?
